

Bravissimo Cafe

Large Parties

We do always suggest reservations for any group. We can accommodate groups of up to seventy people. We do everything from birthday parties, rehearsal dinners and other special events.

For any group over twelve people, we do require a credit card guarantee and for some larger groups a security deposit of 25% is required. For these larger groups we offer a package to accommodate almost any party. This package consists of two glasses of wine or beer, salad, choice of six entrees and plated dessert for \$40 per person plus tax and gratuity. We like to ask for at least one weeks advance notice, but we are flexible enough to try and work with everyone.

Our backroom can fit up to fifteen people and some enjoy the privacy. We do keep that for parties of at least eight or more.

We do not separate checks here at Bravissimo and will accept up to three credit cards for payment. Any more than three cards will be charged \$1.50 per card. Sorry about this, but the banks charge me just like ATM's.
